

2015-02-16 Microsoft Exchange 2015

This is a phishing attempt first reported to CSULB ITS on **February 16, 2015**.

Email Detail

From: Bidell, Monique [mailto:Monique.Bidell@acphs.edu]
Sent: Monday, February 16, 2015 8:56 AM
Subject: Microsoft Exchange 2015

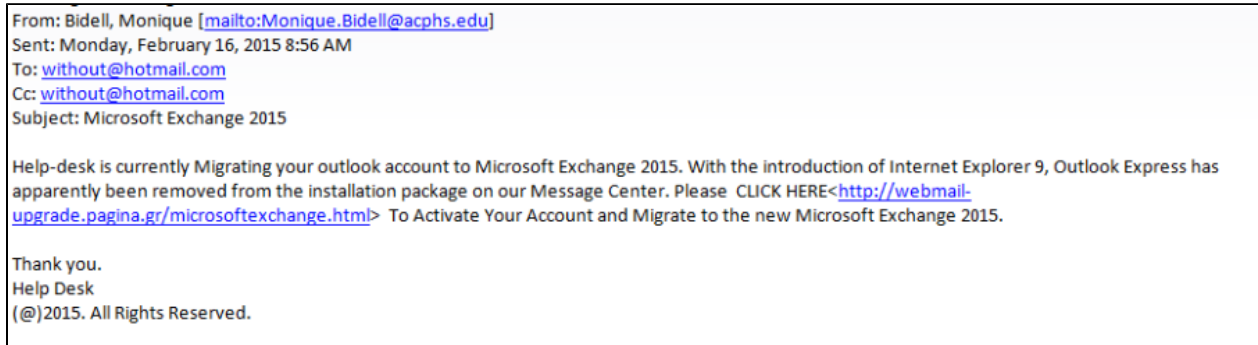

Summary

Email informs recipient that their Outlook account is being migrated to Microsoft Exchange 2015 and to click on a link activate the account. The link goes to a fraudulent site.

Intent of the Email

The sender is attempting to obtain BeachID account credentials for their own malicious purposes.

Screenshot

A screenshot of an email with a white background and a black border. The email header includes the sender's name and email address, the date and time sent, the recipient's email address, and the subject line. The main body of the email contains a message about migrating an Outlook account to Microsoft Exchange 2015, with a blue hyperlink that leads to a fraudulent site. The email concludes with a 'Thank you' message and a copyright notice for 2015.

Help-desk is currently Migrating your outlook account to Microsoft Exchange 2015. With the introduction of Internet Explorer 9, Outlook Express has apparently been removed from the installation package on our Message Center. Please [CLICK HERE<http://webmail-upgrade.pagina.gr/microsoftexchange.htm>](http://webmail-upgrade.pagina.gr/microsoftexchange.htm) To Activate Your Account and Migrate to the new Microsoft Exchange 2015.

Thank you.
